

Your Opinion Is Needed

Dear RTAC Luncheon Attendee:

Your RTAC Board and Directors would like to have your input on our semi-annual (Spring and Fall) luncheons. It is anticipated that as prices are going to rise, we will have to adjust our approach to these two semi-annual meetings. Please mark one of the choices below showing how you think we should proceed:

- 1) Continue with the Spring and Fall Luncheons as they are currently arranged with a three course meal including choice of a hot entrée, salad and dessert, even if there is a price increase.
- 2) Have two semi-annual luncheons with a two course meal (luncheon salad with chicken or fish) and dessert.

Please mark your calendar for the Spring 2015 Luncheon which has been scheduled for Friday, May 22, 2015.

Sincerely,
RTAC Executive Board

Please add any comments you have about our luncheons.
